A Menagerie of Hope

Your gift of a Milk Menagerie includes a quality-breed heifer, two goats and a water buffalo – four milk-producing animals for hardworking families hoping to provide a better life for their children.

.....

— the milk menagerie gift —

Milk Makes a Difference

With training for recipient families, each animal in your Menagerie will produce gallon after gallon of wonderful, life-sustaining milk. And as the families “pass on the gift” of offspring to neighbors in need, over time your Milk Menagerie will end hunger and despair one child, one family and one village at a time.
